PERMISSION FORM

While your child is enrolled in The Preschool in the Village he/she will be involved in activities for which we need your permission. There will be carefully supervised walks to destinations in the village. In addition, we will take photographs of our preschoolers while involved in typical daily activities. These photographs may be displayed in the school or used to help describe our program in printed materials and/or on our website. No names or identifying details will accompany your child's image. Also our class list will provide child's name, parent's names, address, phone number and email address. We encourage you to ask questions about anything that is not clear to you.

You, of course, have the option of withdrawing permission at any time. Parents will be required to arrange for transportation for their children to all field trips. Insurance liability precludes the Preschool from providing for or coordinating transportation for children.

Child's Name: _____

Please circle your choice:

- A. I DO / DO NOT give permission for my child to go on walks with the classroom teachers and class in the nearby neighborhood.
- B. I DO / DO NOT give my permission for my child to be photographed in normal school activities. The photos may be displayed in the school or used to help describe our program in printed materials and/or on our website and facebook business page. No names or identifying details will accompany your child's image.
- C. I DO / DO NOT wish to share my family mailing address with other....
I DO / DO NOT wish to share my family email address with other.....
I DO / DO NOT wish to share my family phone number with other.....
families for communication purposes on the class lists. These lists are
Only given to the parents of the class.
